

Happy Anniversary Fateful Encounters!

The first anniversary of FE! I'm really amazed at how much we've progressed throughout the year, and amazed that we're still alive! Since most anime groups tend to die out early, FE has been here since the beginning and now it's our first year completed. I'd like to thank all the staff and admins for their hard work and the staff for paying the internet bill. Long live our parents for paying the internet bill. Long live FE!
